40' x 100'

This large size grid is to be printed on legal size paper - 8.5 x 14 inches.

**Helpful
Hints**

- * If you have Compressed Air or Water requirements, submit separate completed floor plans for each type of service.
- * Keep in mind that a Distribution box for required services may have to be concealed within booth space.
- *** Remember to Order Labor for all under carpet or overhead services distribution.
- **** **Please Remember to Completely fill out Booth Orientation.**

Adjacent Booth or Aisle # _____

< 5 feet >

A large grid for booth layout. The grid is 40 units wide and 100 units high. A watermark "40' x 100'" is centered on the grid. The grid is divided into four vertical columns by three vertical lines. The top and bottom edges of the grid are marked with vertical lines, and the left and right edges are marked with horizontal lines. The grid is used for drawing booth layouts.
